Back of the net!

GGR Communications sponsor local football team, helping them to victory.

At GGR we understand the importance of supporting our local community and we are proud to sponsor the Kidderminster U12 Lions football team.

On Sunday 17th April, the team played AFC Hinksford at The Dell in Pensnett. It was an exciting match and both sides played well, but there could only be one winner. The Kidderminster Lions bravely fought their way to a 2-1 victory meaning they not only won the match, but they won the Stourbridge League Cup.

A fantastic day was had by all and we’re looking forward to seeing the boys playing in their next match - well done from everyone at GGR!
