Proud winner of the Westcon | Comstor Deal of the Year award 2015

SERVICES

Our services can be used independently to solve a specific customer's problem, providing the perfect point solution, such as eliminating stress with our fully managed network service, or enhancing existing infrastructure by ensuring complete freedom and flexibility with our first-class wireless network.

Offering a full suite of services enables GGR Communications to combine any number of individual elements within an integrated package to meet a customer's needs. Tailoring solutions in this way ensures that GGR Communications can match a company's needs today but also grow to match their needs tomorrow.

WIRELESS NETWORKING
Freedom and flexibility to work anywhere from any device.

BUSINESS VOIP
The next generation in telephony; make and receive calls via the Internet.

MANAGED NETWORK SERVICES
Cost efficient, optimised and tailored to meet individual needs.

UNIFIED COMMUNICATIONS
Integration of real-time communication services.

NETWORK & DATA SECURITY
Maximise business infrastructure and protect data from unwanted attacks.

CAREER OPPORTUNITIES

All our new starters receive exceptional training and the support they need to start their career at GGR. We take a very personal approach to our employees and invest a lot of time and energy into ensuring that our employees can maximise their skills and enjoy working for a tightly knit company.

As a Cisco Premier Partner, GGR offer unique career opportunities working with best-in-class solutions. Our organisational structure provides a clear path for progression. We work with a wide variety of clients in a range of industries, which bring both large and smaller exciting projects that entail working on-site as well as in the office with the rest of the team.

WHAT OUR NEW STARTERS SAY

Simon recently joined GGR Communications as a Network Engineer in our Support Team. Simon was looking to join a company that gave him the opportunity to develop his knowledge and understanding of Cisco technologies within an organisation that offered real career progression.

“Right from my interview at GGR Communications I could tell that it was a forward-thinking company, aspiring to be the best in its field in terms of the innovative solutions they design, install and manage, and the level of service provided to their clients.”

GGR has grown considerably over the last decade and we have plans for continuous growth meaning that we are always on the lookout for talented engineers and developers to take on our latest projects. If you think you've got what it takes then we would love to hear from you.

“I have already worked on a number of high profile projects since I started. GGR recognise that the key to success is to work together as a team and to maximise each individual's skillset.”

“GGR is a friendly company with strong customer and staff retention. The senior engineers offer unparalleled support to the more junior ones which enables a unique learning environment.”

➤ LIFE IN DROITWICH

Droitwich is a picturesque town surrounded by the beautiful Worcestershire countryside. It is a town of great charm offering its visitors plenty of things to do, attractions and places to visit. The historic town has a great range of leisure activities available including guided walks, an open air lido and two well maintained Green Flag parks. The Droitwich canal network (the Worcester and Birmingham canal) is a haven for walkers, cyclists and nature lovers. There are plenty of shops along with various markets that regularly take place in the town. Numerous well established festivals take place throughout the year which remain popular with the local community and visitors alike.

Sport in Droitwich

If you love sport then there's plenty of clubs and leisure facilities to partake in. There are also many outdoor activities you can enjoy including mountain biking, canoeing, sailing and much more.

Travelling to and from Droitwich

Public transport links are well provided in Droitwich town with regular direct bus services to and from all surrounding areas. The town is served by direct bus and rail connections from Worcester and Birmingham, including all interim stops in between.
